EXPERIENCE

Video Editing Assistant

06.2025 - Present

Bahutva Karnataka + Eedina News Channel

Edited video and audio for Eedina's Nelada Nambike (ನೊಡ ನಂಬಿಕೆ) interview series, documenting changing religious beliefs and practices across communities in modern Karnataka.

Admissions Assistant

10.2024 - Present

The New School

I answer general inquiries, maintain records, conduct campus tours, represent the student community at admission events. I also make calls to prospective students to check application status, remind them of deadlines, and answer queries.

Marketing Intern

05.2024 - 07.2024

UnForUs Denim

At this sustainable denim start-up, I took on multiple roles across design, strategy, marketing and research. I edited and created content for social media, managed in-person sales at pop-up events, and modeled company products during in-house photoshoots and video campaigns..

Videography Intern

02.2024 - 05.2024

The Style That Binds Us

I edited and captioned videos for the New York City based styling brand, primarily producing content for the brand's digital training courses for interns in the marketing, fashion and styling fields. Working closely with the co-founder for this project helped me develop a strong detail-oriented workflow

Campus Housing Community Assistant

09.2022 - 05.2024

The New School

I received, recorded, sorted and distributed packages and mail, handled queries and lockouts, stood in for Resident Assistants in their absence in the 301 and Loeb Residence Hall mailrooms

PRIOR EXPERIENCE

- Summer Research intern at *The Giving Tree*, a social startup connecting college students with social organizations.
- Social media content & strategy for *Umoya Designs*, a garment retail business specializing in Shibori fabric dyeing.
